Subject: Unique Disability ID (UDID) for Children with special needs (CWSN)- Reg.
Sir/Madam

The UDID project initiated by Department of Empowerment of Persons with Disabilities aims at building a holistic end-to-end integrated system for Issuance of Universal ID & Disability Certificates for Person with Disabilities with their identification and disability details.

In this context, you are directed to register all the Children with special needs of the District with the UDID portal (<http://www.swayambancard.gov.in>), initiate the process to provide UDID card to CWSN (Pre nursery to XII class) and sensitize the school heads, teachers, parents and community to ensure certification of disability UDID card. This provision shall bring a host of benefits to the CWSN as given below:

1. CWSN will not need to make multiple copies of documents, maintain, and carry multiple documents as the card will capture all the necessary details which can be decoded with the help of a reader
2. The UDID card will be the single document of identification, verification of the disabled for availing various benefits in future
3. The UDID Card will also help in stream-lining the tracking of the physical and financial progress of beneficiary at all levels of hierarchy of implementation - from village level, block level, District level, State level and National level

To know more about UDID project, Annexure is enclosed herewith.
