Subject:-

Regarding organizing additional learning support for children who
have been identified to perform below expected level.

Memo,

With reference to the Director of Higher Education, Himachal Pradesh Shimla-01 office letter No. EDN-HE(21)B(15)15/2016-Vol-I dated: 29-11-2016 vide which it was directed to ensure that all schools offer every possible learning support so as to bring all children up to the expected level. The teachers should be asked to conduct special classes especially for weak students on working days before or after the school hours, so that they must achieve the desired competency level. The remedial classes shall be compulsory for all weak students and doubts, missed out contents should be removed or updated.

Further it is also directed that children whose learning competencies have still not improved at the end of special classes should continue to get additional support from their teachers either during the weekdays or on the weekends. The efforts towards organizing special classes should become a part of the regular teaching as it would go a long way in ensuring that children achieve the desired grade appropriate competency. Action taken report may be send to this office.

TREAT IT MOST URGENT
