Subject: Booklet on Innovative Practices being adopted by State Government for promotion of Innovative culture at State level.

Sir,

On the subject cited above, I am to inform you that various initiatives are being taken at the state level for incorporating innovative culture in the functioning of State machinery through HP State Innovation Council constituted as an apex body to promote local talents, competencies, resources & capabilities. Various steps are being taken by said council for the last few years in this direction and a need was felt for proper documentation of such activities at State level to showcase and disseminate these replicable initiatives so that benefits of these innovations could be reaped by the ultimate consumers at grass root level.

Consequent upon such need, a booklet titled "*Progressive Himachal Innovative Himachal*" has been published by this department and is being circulated herewith with the request to further share with your field offices, especially schools, colleges ITIs, Polytechnic Institutes, ULBs, PRIs etc. so as to cultivate innovative thinking amongst youth of State & replicating such initiatives at their level. The soft copy of said booklet can also be downloaded from URL:<https://hpplanning.nic.in/Book%20on%20Innovation.pdf>.

Yours faithfully,

(Dr. Basu Sood)
