Answers of Dwitiya will be checked only when a student secure equal or more than 60% (i.e. equal or more than 60 Marks) in Prathama. Final merit list to identify participants for State Level VVM Camp would be prepared on the basis of marks in Dwitiya. The final result will be declared online on www.vvm.org.in.

State Level Camp:

Top 25 students from each class will be selected i.e. total of 250 students will be selected at state level. Therefore, it is to be noted that each student will compete with the same class students.

The selected students will be invited for one-day state level camp. The camp will be organized within the state, the venue and other details will be informed to all selected students. One-day camp will consist of hands-on training, student projects, interactive and group stage evaluation through group activities, cluster competition, role play etc. Based on the performance, ranking of the students will be done at state level. Top 25 students from each class will be declared as a state winner.

National Level Camp:

Top 25 students from each class i.e. total 25 students from each state will be invited to Two Day National Level Camp. These students will go for four evaluation papers at national level through group activities, viva and bookkeeping quiz etc.

Based on the performance, top 2 students from each class will be declared as National Level Winners of West for the year 2023-24 (Final year).
